

St Joachim's Community Values and Relationship Guidelines

St Joachim's School is a Christ centred Catholic community of faith which develops all community members to their full potential for the greater glory of God. To realise our vision we strive to develop a respect for God, self and others by creating an inclusive, accepting and nurturing environment that promotes reconciliation.

At St Joachim's we believe that the essential focus of our school is to be inclusive, supportive, collaborative, respectful, purposeful and meaningful in all that we do.
