

Professional Practice & Collaborative Relationships Policy

At St Joachim's Catholic Primary School we strive to provide a safe, healthy and productive school environment by:

- collaborating with clergy and parish bodies to strengthen the shared mission of Church and school;
- forming partnerships with parents, professional bodies, government agencies and the broader community;
- connecting staff professional development with the latest *Information and Communication Learning Technologies* (ICLTs) to improve student learning outcomes; and
- adhering to all relevant legislative and mandated requirements.
