Principal’s Message
17th March 2015

Dear Parents,

The media footage showing the destruction of Vanuatu following Cyclone Pam on the weekend, is devastating. Our hearts and prayers go out to the people of Vanuatu. We will certainly be looking for ways that we can support the humanitarian campaign to assist over the next few weeks.

Year 6 Camp
Our Year 6 campers returned on Friday afternoon more than a little tired, but proudly wearing their newly presented leadership shirts.

Over the three days the students participated in a variety of activities designed to develop students’ skills of co-operation, respect for others, active listening, creativity, problem solving, persistence and resilience, all while having a great deal of fun. I’ll look forward to asking the students this week about their favourite activities. I suspect many will say their ‘overnight camp-out’, which involved putting up your own tent and teams cooking damper, mince and a marshmallow or two over the open fire!

Thank you again to Mrs Randall, Miss Gray, Mrs Van Eyk, Mr Gunderson and Miss Lambkin for preparing the students and for spending time away from their own families while on camp.

Building Update
Yesterday, a storage container was dropped just inside the Yuletide St fence and in front of the library. This has been placed to provide valuable storage for when the staff and contents of the Administration block are moved into the Library, in preparation for the beginning of our new building project. Anyone visiting the school office would have seen the architectural designs of our new Administration block and Arts Centre.

Harmony Week/Anti-Bullying Day Friday 20th March

This week we join with other schools around Australia to celebrate the rich cultural diversity that makes up the fabric of our nation. On Friday, our students will rotate through a number of activities celebrating different cultures and highlighting inclusiveness, respect and a sense of belonging for everyone. Thank you to Miss Boyle for coordinating our celebrations and to our teachers for preparing the exciting activities. This website has some wonderful ways of exploring and sharing your family’s cultural heritage through the art of cooking.

The students will also be participating in Friday’s annual national day of action against bullying: “Bullying No Way”. Teachers will be working with their students to highlight key messages and to teach students strategies to help shut down bullying in our community for good. The website below has some activities that you may wish to use with your children.

Prayers Please
Please keep Mrs Killin in your prayers this week. She is having surgery for a recently diagnosed medical condition today and will be away for the rest of the term for recuperation. We welcome Mrs Allison Lulham to Year 3 Red for the rest of the term.

World Day of Prayer
Finally, this morning I opened a letter from a parishioner and visitor who wanted to pass on her sincere thanks and congratulations to our Year 5 and 6 students for their participation in the recent World Day of Prayer liturgy. She writes....

“As a parent and grandparent I have been to countless children’s masses and never before have I observed such well behaved children. They were so quiet, performed beautifully with great expression and answered and sang in the mass and overall were perfectly behaved.

I also noticed such good manners and co-operation in the playground and when I had to retrieve my car. Your teachers and students need congratulations for a job well done!”

Margaret Henry

We know that St Joachim’s is a special community but it’s heartening when visitors pass on such wonderful feedback. Congratulations children.

Wishing You God’s blessing for the coming week,

Amanda

Religious News

Dear Parents,

This week we celebrate the feast day of two very popular saints, St Patrick and St Joseph. Both were men of great courage and faith and wonderful examples for both men and women today. Pope John Paul II once said, “Saint Joseph is a man of great spirit. He is great in faith, not because he speaks his own words, but above all because he listens to the words of the Living God. He listens in silence. And his heart ceaselessly perseveres in the readiness to accept the Truth contained in the word of the Living God.”

St Patrick also showed this perseverance, being captured by Irish raiders when he was about 16 and taken as a slave. After escaping, he returned home and was later ordained a bishop. He was known for explaining Christianity in a way that made sense to the Irish, in particular, using the shamrock to explain the Holy Trinity.

These saints expressed their faith in different ways, one through evangelization and the other through the gentle strength of a father and husband. During this season of Lent, we are reminded that while our expressions of faith may vary, it is following the will of God in our lives and growing in closeness to Him that counts.

It is fitting that St Joseph is the patron saint of social justice. The St Joachim’s community is doing a wonderful job fundraising for Project Compassion. We have already raised enough money for one dairy cow! Congratulations! These funds help people such as Sarita from Nepal:

![Sarita from Nepal](image)

Sharing food for life

Mother of three, Sarita, could barely grow enough food for her family on her tiny farm plot. In 2007, she joined a program, run by Caritas Nepal, that gave a community group the training and support they needed to start a fish-raising business. Thanks to their hard work, Sarita and the group now have a thriving enterprise and a life-long source of food and income.

Your donation to Project Compassion 2015 helps people in rural Nepal create a life-long source of food and income to benefit entire communities.

Have a blessed week,
Kate

**2015 School Photo Information Monday 30th March**

Advanced Life Photography have indicated the following methods of ordering and payment for school photos. Their preference for our school is that Orders and Payments be made through the Web Portal as this reduces the administration and associated order issues related to the return of cash & envelopes on photo day.

To place your order visit [www.advancedlife.com.au](http://www.advancedlife.com.au) and enter the code: R5V D85 R9P.

A full set of instructions on how to order can be found on the back of the order flyer. The order code can also be found printed on the envelopes supplied by Advanced Life Photography. Please be aware that:

1. Sibling/Family Photos may be ordered online or via envelope. To ensure a smoothly run photography day, **Online Orders for Sibling/Family Photos will be cut off 48hrs before our photography day** to allow a list of students that require Sibling/Family photographs taken to be compiled. Sibling Photos can still be ordered after the Online cut off date by collecting an envelope from the office in the usual way and returning the envelope on photo day with payment enclosed.

2. All Online Orders should be placed on or before our day of photography. Please Note: Once orders are closed a LATE FEE will apply.

3. The Online code above Web Portal may also be used to order previous years’ sports and other group photos at any time.

**ICAS 2015**

Our school will participate in the 2015 International Competitions and Assessments for Schools (ICAS) which provides assessment opportunities for students in years 3 – 7 in the areas of Computer Skills, English, Mathematics, Science, Spelling and Writing. This year, ICAS have again extended the Mathematics, Science and English assessments to Australian students in Year 2. ICAS for Year 2 students will be sat on the same dates as students in years 3 –7.

Please refer to the email that was sent out to all families last week with further information about the tests including the dates and cost of the tests. The nomination form and payment must be received at the school office by Tuesday 31 March 2015.

If you have any queries regarding the tests please email me at khoulihan@bne.catholic.edu.au.

HOLY THURSDAY COLLECTION
One of the great symbols of Holy Thursday is the washing of the feet. It is a symbol of service and friendship which can be shown in many ways. Once again this year we can show our service and friendship in a communal way by contributing to the Holy Thursday Collection for the men of St Vincent’s Hostel, South Brisbane. You are invited to donate new clothing (underwear, T shirts, sweat shirts, etc) by bringing them along to mass on Holy Thursday evening, by placing in the baskets which will be in the churches from next weekend or dropping them into the school or parish offices.

PARISH MUSIC

Who me?
Well, do you think music at Mass is important?
Absolutely!

What can you do?
Who me???
Yes, you!
I can sing in tune but so can everyone.
No not everyone can, and we need more singers.

Who me?
Yes, you! Look it’s time to stop thinking that others can keep the Church going. The parish needs both singers and keyboard players. Other instruments would be great too. Can you get a little group together who would provide music once a month? Would you like to join an existing group? Do you know anyone who isn’t even a Catholic but enjoys making music and might be interested? Take a risk, think creatively.

So yes, I am talking to you, contact the parish office.
